## Shoebox 2 Video creations make memorable and thoughtful gifts

Whether you have a shoebox stuffed full of old photos or a CD of digital photos, we can create a moving video keepsake that can be shared with family and friends on your television.

Don't let cherished photos fade in the shoebox—dust them off, pick out your favorite ones and select the perfect song for your video story. Shoebox 2 Video DVD slide shows will make unique and personalized gifts for anyone.

Think of all the special occasions where you can bring your photos to life:

- **Wedding Anniversaries**
- **Graduations**
- **Birthdays**
- **Births / Adoptions**
- **Mother's Day**
- **Father's Day**
- **Holidays**
- **Good-bye Parties**
- **Romantic Expression**
- **Memorials / Retrospectives**
- **Work Anniversaries / Retirement**
- **Business Client Presentations**

All you need to get started are your photos and music. We can also suggest photo arrangement ideas and music to match the mood of your special occasion.

Go though your shoebox to make the perfect surprise gift for your friends or family.

## Turn your photos into emotionally moving DVD photo slide shows

### DVD Slide Show Packages

Seeing and sharing your favorite photos set to music, complete with titles and transitions, can be very moving. Let us create the perfect keepsake for any event.

Each job begins with photo scanning, where each photo is enhanced by cropping, removing red-eye, and adjusting color wherever necessary. We can even scan your 35mm slides.

All packages are output onto a custom-printed, highly compatible DVD-R disc and includes beginning title and scrolling end credits. Most jobs can be completed within 10 business days, though a rush service is also available.

### Basic Slide Show

- Up to 40 photos scanned set to one song

### Deluxe Slide Show

- Up to 70 photos scanned set up to 2 songs
- Includes multi-part beginning title
- Includes up to three pan/zoom effects

### Slide Show Plus Video

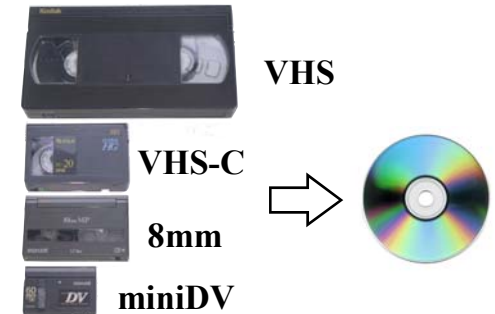

- Up to 70 photos scanned set up to 3 songs
- Up to two 10 minute video clips
- Includes up to three pan/zoom effects

## Convert your old video tapes to DVD before the memories fade

### Video Tape Conversion

Whether you know it or not, your family videotapes are degrading with time. We can convert and digitize your old videotapes to DVDs. This will allow you and your family to easily view these treasured videos again without hooking up old camcorders that recorded them. Videotape formats that can be converted includes VHS, VHS-C, 8mm, miniDV and Betamax (not shown).

### Photo / Slide Scanning

We provide scanning-only services to digitize your photographs or 35mm slides to protect them from deterioration and allow you to easily share these memories electronically. Photos can be output to a CD-ROM or DVD. All photos are enhanced with cropping, red-eye reduction and color adjustment as needed.

### DVD Authoring / Video Editing

We provide additional services including custom editing of one or more video tapes into one continuous video output onto a DVD. We can also take multiple video files and combine them onto one custom DVD with an indexed menu for each video. Call for other services.
